Alternative Preparation/Endorsement Options for Health Education

Endorsement Options at Calvin College are as follows:

1. 20 credit hours are required to receive a post-BA health minor
2. 6-9 credit hours of health courses can be transferred from other institutions
3. Teachers may receive credit for required courses in the minor by completing a competency test for the specific course. The number of hours that can be credited will be worked out on an individual basis in consultation with the health education advisor and the education department.
